THE ROWE ARBORETUM NEEDS YOU IN 2016!

Think of Uncle Sam in his gardening clothes pointing a finger at you (The one next to his green thumb). 3 important notes for you to consider :

#1 – We need you to mark your calendar for Saturday, April 30, as from 9 AM to Noon we will be having our Annual Plant Sale. There will be an assortment of trees, shrubs, perennials, and annuals for sale, and there will be some great used gardening items *see #3 below*, houseplants, and even donated succulents and cactus specimens, Peruse our used book department, all new offerings; some collectible issues too. On this day - some vendors will join us with an even bigger plant selection and other goodies from which to choose.

#2 – Members Day is on Friday, April 29 from 2 to 7 PM. Members get first crack at all the stuff the Arboretum has for sale. Not a member? Well, we can certainly help! Contact us at rowearb@ihill.org or call 561-5151 and we'll send information to you, or pick up one of our brochures when you visit.

#3 – Would you care to donate any items towards this event? Please contact the Arboretum if you have any items to add to our fund raiser which allows us to add new specimens or help our endowment grow. Examples of things we always offer and would like to supplement with are:

Plants that we can sell, indoors or out
Tools and small equipment
Books on gardening, horticulture, and other nature loving activities (rock collecting, bird watching for example)
Decorative pots, statuary, bird feeders, garden ornamentation items
Anything that could relate to a "Yard Sale of Gardening Items"

#4 – Okay, we really can count but we had to add this: Come visit the Arboretum soon. Enjoy the thousands of trees and shrubs, see the wildlife that it attracts, and bask in the solitude of the gardens. This and much more can be found at 4600 Muchmore Road (pun intended) located in the southwest corner of Indian Hill.
