Franklin OH 45005

Questions? email ovnargs@me.com

Join with like minded gardeners from Indiana, Kentucky, Ohio and West Virginia who are learning about growing plants. Our focus is perennials, native plants, wildflowers, bog plants, alpines and others of interest to members. You'll learn about propagation, cultivation, maintenance and design of gardens, with and without rocks.
At our meetings, hear local and national speakers, tour private and public gardens, visit outstanding nurseries, learn about new plant discoveries and rediscover old favorites with newer varieties.
